

## BEING THE LIGHT

As we begin a new week, let us offer everything to the Lord. Let us pray that the Lord bless each one of us and bless all that we shall do in the course of this week. Let us offer the week to the Lord.

When talking about the light, today Jesus emphasises the place where we position a light. When a person does the interior decoration of a room, the position of the light is very important. Jesus says that after lighting the light, do not put it under the bed or under a bowl, but put it on a lamp stand so it benefits many.

Let us pray that as the Lord gives us his light in our lives through his word and through the sacrament, that we may position ourselves so that we can be a light to people around us. May each one of us be a light wherever we are placed today.
